

IMPORTANT

CHANGES TO CHILD TAX CREDITS FROM 06/04/17

- 1. Are you claiming Child Tax Credits, Housing Benefit or Universal Credit?**
- 2. Do you have two or more children?**
- 3. Are you expecting a baby after 06/04/2017?**

If the answer is yes to all the above, you will **not** qualify for extra financial support for your new baby. There are some exemptions to this e.g multiple births

If you make a new claim for Child Tax Credits, Housing Benefit or Universal Credit after April 2017, you may only receive help for your first two children even if your children were born before 6th April 2017

Existing claims for Child Tax Credits, Housing Benefit and Universal Credit that already include more than two children will not be affected.

CHILD BENEFIT IS NOT AFFECTED BY THIS CHANGE
