## Profile

Cadwyn Housing Association Limited (“Cadwyn” or “the Association”) is a traditional community based housing association and is registered under the Cooperative and Community Benefit Societies Act 2014 with charitable rules.

Cadwyn owns 1,375 homes and manages a further 548 homes, principally within the city of Cardiff. 76 of these homes are units of hostel accommodation for vulnerable single people and families.

‘CanDo Lettings’, a social letting agency set up by the Association in 2006, assists families and single applicants threatened with homelessness to access affordable private rented housing. The agency lets and manages properties on behalf of private landlords and provides property management solutions for tenants. The ‘Calon’ scheme, also within Cadwyn, provides temporary accommodation for homeless people where properties leased from private landlords are managed and let by the Association. ‘CanDo Contractors’ is Cadwyn’s in-house contractor and carry out almost all of their repairs and maintenance work, as well as planned maintenance and improvements and cyclical decoration.

Cadwyn has diversified into supporting the employability of its tenants and others in the local community through the ‘Realise your Potential’ scheme. The Association additionally provides refurbished furniture and goods for vulnerable people and those on low incomes, through the Big Lottery funded ‘Nu Life Furniture’ project. Cadwyn has further diversified to develop ‘Four Walls’, an estate agency managing professional lettings and house sales.
