# Have you ever thought...

what would happen if you had a burglary?

How would you replace your precious possessions?

Or supposing you had a fire in your home, could you afford to replace your furniture out of your own pocket?

**Please Note:**

Your housing organisation is not responsible for replacing your damaged contents.

This leaflet tells you about this special policy and how you can apply.

So why not take out insurance now?

**BEFORE YOU NEED IT.**

It's an alarming thought, but unfortunately these things do happen. All of us believe they'll never happen to us. If they do, we wish we'd been prepared. Other, less alarming things happen too. Freezers defrost, washing machines overflow. Dealing with the damage can cost a lot of money. That's where insurance comes in.

The National Housing Federation My Home Contents Insurance Scheme in conjunction with Thistle Tenant Risks can offer tenants and residents the chance to insure the contents of their homes in an easy and affordable way. Working with Royal & Sun Alliance Insurance plc, a home contents policy specially designed for Housing organisation tenants and residents has been produced. It's simple, straightforward and value for money.

One reason we've chosen RSA is that they are one of the oldest and largest insurance groups in the country. As a group they're known for being forward-looking and efficient in the running of their business, which is why they can offer such reasonable terms.

Thistle Tenant Risks have 20 years experience of dealing with Insurance for tenants and residents and any questions about the cover, cost or how to make a claim should be referred to them at:

## Working out how much to insure for

The table on page 7 will help you calculate the insurance cover you need. First read this page, then work out, room by room, the replacement cost of your belongings at today's prices and enter it in the space provided. Then add up the entries. This is your **Sum Insured**.

## Costing your belongings

The policy insures any of your household contents and personal effects on a new for old basis.

This means, for example, that if your home is broken into and your television is stolen, RSA will pay you the current cost of replacing it.

This does not apply to clothes and household linen, where an allowance for wear and tear may be deducted.

So, when calculating your replacement costs give:

- the current replacement cost of all items.
- the current replacement cost less an allowance for wear and tear on clothing and household linen.

## Valuables

These are items which are particularly prone to theft, such as jewellery, watches, clocks, articles of precious metal, pictures, and collections of coins, medals or stamps. If you believe that some of your possessions have a high value, you may wish to have them valued independently by an expert, for example a jeweller.

The maximum amount of cover provided for your valuables under this Policy is 1/3rd of the total Sum Insured. For any one valuable the maximum amount is £1,250.

## Making certain you are adequately insured

The scheme offers special low, minimum Sums Insured to ensure that you only pay for the cover you need. These are:

- £6,000 for senior Citizens (aged 60 years and over).
- £9,000 for all other tenants/residents.

*However, it is important not to take these as recommended figures. If you undervalue your contents your claim will not be paid in full.*

## Premium Charges

Please refer to the premium tables enclosed. All premiums quoted are inclusive of Insurance Premium Tax at the current rate.
